A Big Sur Marathon Foundation Event

Thanks For Your Participation

What a day!

We hope you had a great experience at last November's Monterey Bay Half Marathon, Pacific Grove Lighthouse 5K, or By-the-Bay 3K. The clear, sunny, and calm conditions were conducive to great performances along the rocky shores of Monterey Bay and Pacific Grove. The new Ocean View Challenge, rewarding those who raced both Saturday's 5K and Sunday's half, helped the shorter race attract a record field of almost 1,500 entrants to Pacific Grove.

We know there are more races than ever from which to choose around your home town and we thank you for choosing our event. We had entrants from 48 of our 50 states—missing Delaware and Mississippi--and entrants from two dozen countries.

Thanks to the more than 1,700 entrants who completed the post-race survey, giving us valuable feedback. We are proud to present an event that many of you rate very highly; at the same time, we pledge to continue to improve your experience each year.

Our Half Marathon weekend of events is produced by the newly-branded Big Sur Marathon Foundation (BSMF), the same non-profit organization that produces the iconic Big Sur International Marathon weekend of events the last Sunday in April; the Run in the Name of Love 5K in Carmel on Father's Day, the

Salinas Valley Half Marathon in early August, and the year-round, award-winning JUST RUN youth fitness program. The event weekend you participated in was managed by our 85+ member-strong event committee who coordinates the efforts of more than 1,500 volunteers throughout race weekend. These groups and organizations are listed on page _____. This race also would not be possible without the support of many dedicated sponsors, the cities of Monterey and Pacific Grove, and our friends at California State Parks.

We hope you will mark November 11, 2018, on your calendar and join us for our 16th presentation. And, please, bring a friend! Registration will open on April 2, 2018. Be sure and follow us on Facebook (look for us under "Monterey Bay Half Marathon") and follow us on Twitter and Instagram (@BSIMEvents). We'll keep you informed of developments for all of our events, remind you when registration opens, feature fun contests, share beautiful pictures, and entertain with conversations from fellow runners around the world. Also, download our mobile app at the App Store or Google Play; search under "BSIM Events."

We wish you great health and training in the coming year and we look forward to seeing you at one of our 2018 events.

Monterey County Native Wins the Monterey Bay Half Marathon

.....

A large, enthusiastic crowd lining the finish line erupted as Daniel Tapia broke the tape at the Monterey Bay Half Marathon, becoming the first-ever Monterey County native to win the 15-year-old event.

Tapia, who grew up in nearby Prunedale, covered the 13.1-mile ocean course in 1 hour, 3 minutes, 35 seconds—a personal record—finishing 26 seconds ahead of runner-up Futsum Zienasellassie, 24, a six-time All-American at Northern Arizona University, who ran his first-ever half-marathon in 1:04.01. Sid Vaughn Jr., 23, of Boulder, Colo., was third in 1:04.02.

In addition to the \$4,000 winner's purse, Tapia collected an additional \$3,000 as winner of the "Equalizer Challenge," a battle-of-the-sexes bonus awarded to the first runner to cross the finish line, male or female. Female elites started the race 9 minutes, 5 seconds ahead of the starting gun for the men.

"At about the 12th mile, I started making a move, and at that point I saw a guy (Tapia) behind me," said Kenya native Monica Ngige, 24. "I was wanting to win that \$3,000, but it didn't happen, because he was much stronger than I was." Ngige, 24, won the women's division (and its \$4,000 top prize), in 1:12.53. "This was my first half-marathon, and I feel very proud to be the women's winner."

Natasha Wodak, a 35-year-old from North Vancouver, B.C., chased Ngige across the line in 1:13.17, and defending champion Sarah Pagano, 26, of Brighton, Mass., was third in 1:13.27.

The 31-year-old Tapia—a record-setting athlete at North Monterey County High School in nearby Prunedale and Hartnell College in Salinas—was runner-up at the 2016 Monterey Bay Half Marathon. He showed up this year determined not to be denied.

"I came to win today. I've been training for the U.S. National Marathon Championships, which are three weeks away in Sacramento, and I knew I was ready," he said. "I also knew it would be a mental game, and it was just going to be up to me." (Tapia finished 16th in Sacramento in 2:16:44.)

Elite Review (continued)

.....

Tapia, now living in Mammoth Lakes, Calif., said he corrected a strategic error from the previous year and pushed the pace at the starting gun.

"I felt like I went out too slow last year, so I took it out a little faster today for the first couple of miles," he said. "I'm not the kind of runner who is going to throw down a super-fast last mile, but I can hold a very good pace for a long time."

Tapia said he settled into the pack at the two-mile point, drafting behind other runners for an easier run.

At Mile 8, in neighboring Pacific Grove, where the course abruptly turns toward the finish line, he broke away.

"We made that turn and started going downhill, and that's when I made my move," Tapia said. "I felt confident to either make or break my race right there, so I went for it and it worked."

Tapia pulled away from a group of about seven other runners, none of whom could match the 4:46-per-mile pace he ran for the next three miles. His overall per-mile pace for the race was 4:51.

"It's always fun to have someone with local roots win the local race," said race director Doug Thurston. "He's brought a lot of pride to Monterey County, and for him to win this prestigious race in his own county was great. And Danny's mom and dad were at the race, which was really cool."

In the women's race, Ngige averaged 5:33 -- two seconds per mile faster than runner-up Wodak.

"The course is a little bit rolling, especially the first half, but coming back was better," said Ngige, a 10,000-meter specialist who placed second in this year's Wharf To Wharf event in Santa Cruz. "I love the coast, and (Monterey) is very beautiful. I look forward to running in this race again next year, if I'm given the opportunity."

The top eight runners in the men's and women's divisions competed for a total purse of \$25,000 (including \$4,000 for first place in each division, and \$2,500 each for second and third place), plus

another \$5,000 in bonus money that was split among the top three runners, male or female, in the "Equalizer Challenge."

Runner Survey Comments and Suggestions

More than 1,700 entrants completed the post-race survey. We read through the thousands of individual comments, picking out the actionable items for future improvements. Here were the most common compliments and criticisms:

What You Liked:

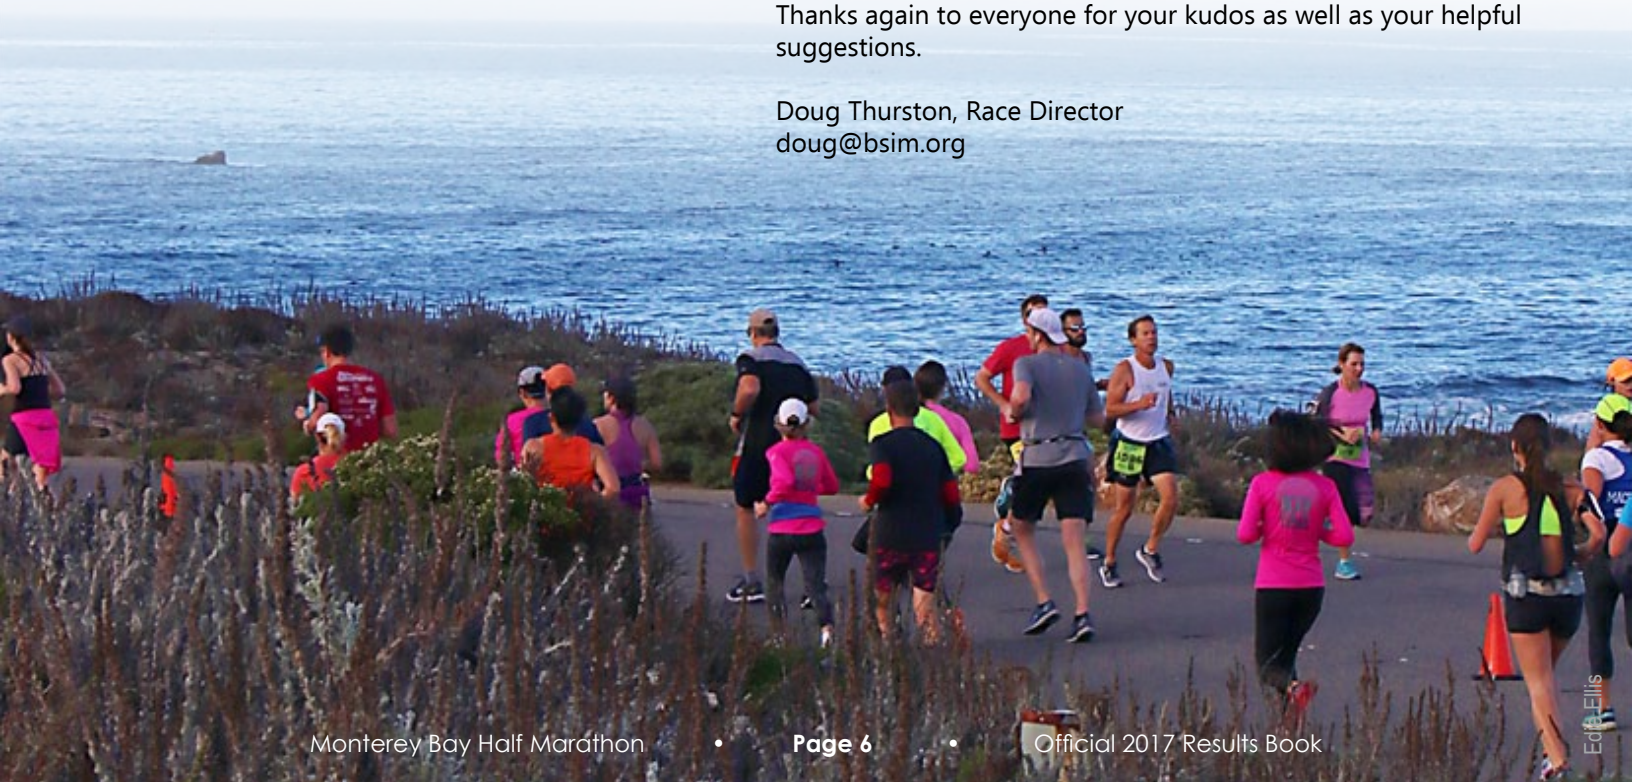

- The scenic course with the crashing waves along the coast
- Energetic and helpful volunteers
- The PR Bell, finish village, and tasty food, soup and beer
- The on-course entertainment particularly the tunnel light show, bagpiper, and the drummers
- Overall high-quality event experience and organization

What You Said Needs Improvement (with race director comments):

- Shirt colors (we hear you loud and clear and will try to pick more appealing colors for 2018).
- Having two colors for finish medallions (an idea that, for many, clearly didn't work!)
- Confusing late-registration process (we are working on a completely new process next year)
- Long lines for the post-race beer garden (the finish village is always tight but we will try a different layout)
- Runners not lining up in their correct start corral (better monitoring needed)
- Gear check (we will increase the number of volunteers and revise the location and layout)
- Larger expo (the remodeled Monterey Conference Center will finally be open in 2018 allowing us the space to provide an improved expo experience)

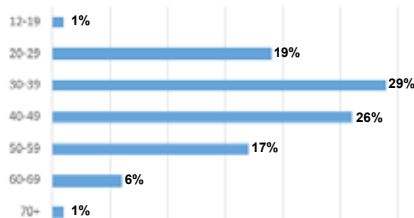

Thanks again to everyone for your kudos as well as your helpful suggestions.

"Absolutely outstanding weekend all the way around. This was my 5th half marathon and I initially wanted to run this half marathon because Monterey is our very favorite place. However, this far (far!) exceeded anything I had imagined. Everything was so incredibly well-organized and executed and the overall feel of the race was so friendly and fun and easy-going. Add in the absolutely stunning race course, and this is truly the perfect race."

By-the-Bay 3 K & Pacific Grove Lighthouse 5K

The By-the-Bay 3K fun run kicked off Saturday's races with just under 300 children and their friends and families taking part. The 3K is one of the goal races of the **JUST RUN** youth fitness program under the umbrella of the Big Sur Marathon Foundation. Following the 3K race, the Pacific Grove Kiwanis Club offered a pancake breakfast at Lovers Point Park in Pacific Grove.

The 2018 By-the-Bay 3K and Pacific Grove Lighthouse 5K will take place on Saturday, November 10. Registration opens on April 2, 2018 at montereybayhalfmarathon.org.

Congratulations to all 1,289 finishers of the Pacific Grove Lighthouse 5K! Weather conditions proved perfect for running and walking and participants were treated to stunning views of the Monterey Bay. The male winner was Jake Petralia, 31, of Santa Cruz, CA, with a time of 16:32. The first female was Sarah Attar, 25, of Mammoth Lakes, CA, in 19:43.

First place Masters winners (age 40+) were Sean Curry, 49, of Salinas, CA in 19:07 and Annika Wulf, 45, of Des Moines, ID, in 22:33.

"Course entertainment was perfect. EVERYTHING WAS GREAT. If only all half's were modeled after this race. My #1 favorite to date. I will bring my family next year for them to participate in the 3k/5k. Thanks for the fabulous experience! 4 days later I'm still in awe about how nice the run was."

Our Volunteers

.....

The Big Sur Marathon Foundation's mission is to create beautiful running events that promote health and benefit our community. Our Half Marathon is manned by hundreds of hardworking, enthusiastic, and energetic volunteers. Their dedication and commitment to the success of our events are what earns them one of the highest approval ratings in our exit poll.

Volunteers of all ages and from all walks of life begin their efforts days in advance of the race. They unpack and label merchandise items, hand out bibs and event shirts, and set up tents and fencing in the finish area. Race day finds them on the course dispensing water, **Gatorade Endurance** and **GU**, doing traffic control at intersections and manning the start corrals. At the finish, they hang a finisher's medallion on each runner's neck and load tired runners up with post-event refreshments.

Many of our volunteers come from military members stationed in Monterey and are invaluable to our organization. With our race falling so close to Veteran's Day, the military presence has special meaning and we appreciate their involvement.

Other key volunteer groups include scout troops, track, cross country and wrestling teams, and more. The common bond is the desire to put together a successful race that will make all participants want to come back time and time again. So, to all our wonderful volunteers, we offer a heartfelt **THANK YOU, THANK YOU, THANK YOU!**
