Big Sur HALF MARATHON on Monterey Bay

Running on the Edge of the Western World

2012 OFFICIAL RESULTS BOOK

November 18, 2012

Greetings from the Event Organizers

Wayne L. Richey, DDS
Chairman of the Board

Dear Athletes and Friends...

Despite periods of rain and wind in the days leading up to the 10th Presentation of the Big Sur Half Marathon on Monterey Bay along with a forecast for more of the same race morning, the day dawned clear and runners were graced with perfect running conditions against the spectacular backdrop of the Monterey Bay.

Our elite race proved exciting, with the overall male and female winners a newlywed couple, as were the fifth place male and female elites. Ben Bruce and Stephanie Rothstein-Bruce were married less than a month before race day and were last minute entrants to the half marathon. Bruce won the race with a time of 1:04:44 and Rothstein-Bruce's time of 1:12:18 made her the second fastest female in the event's history.

Ryan and Natalie Bak of Bend, OR, were the other married couple who each placed fifth with respective times of 1:06:41 and 1:17:53. Ryan Bak was a former member of the Big Sur Distance Project and trained for several years on the Monterey Peninsula under Coach Bob Sevene.

The 2012 half marathon saw an increase in the field to 9,000 participants and an additional two start waves. Post-race, the Big Sur organization made the decision to cap the field at this number to ensure less course crowding and so that city streets can continue to be opened in a timely fashion.

November 18, 2012 proved to be the perfect day to run next to the Monterey Bay

Despite rain that began only minutes before the 8:00 AM start, the Pacific Grove Lighthouse 5K went on as scheduled and enjoyed a record number of registered participants and 618 finishers. First place honors went to Geovanni Oseguera of Seaside, CA, with a time of 16:43.4 and Katie Taylor of Monterey, CA, in 18:53.4.

The 5K was followed by the JUST RUN! Just Kids 3K and welcomed over 500 children along with their families and friends. Undaunted by the rain, the kids enjoyed post-race festivities and a pancake breakfast hosted by the Pacific Grove Kiwanis.

We offer a heartfelt "thank you" to the cities of Monterey and Pacific Grove who host our weekend races; their support and cooperation is invaluable in staging these events. Thanks go as well to our many sponsors, contributors and volunteers who are responsible in so many ways for the success of our three races.

Registration for the November 17, 2013 Big Sur Half Marathon on Monterey Bay will open on April 1, 2013 at 7:00 AM Pacific Daylight Time. We hope you'll join us once again, and be sure to spread the word to your friends as well!

Elite Race Review...

A Family Affair at Big Sur

A month prior to the Big Sur Half Marathon, Ben Bruce and Stephanie Rothstein of Flagstaff, AZ, were among the last elite runners to register for the November 18 race. Two weeks after that, they were married and Stephanie's registration was changed to Stephanie Rothstein-Bruce. On race day, in nearly perfect running conditions, the newlywed couple were the first to finish the 10th running of the Big Sur Half Marathon. Ben's winning time was 1:04:44 and Stephanie's 1:12:18 was the second fastest winning time in the event's history.

The 10th Presentation of what is fast becoming one of the most popular events in the western United States saw over 9,000 registered runners greeted by near perfect conditions despite a forecast of wind and rain. With virtually no wind, and temperatures in the low 50's, participants were able to enjoy the crashing waves and scenic shoreline in bright sunshine.

The men's race took shape quickly as a lead pack of five broke away from the rest of the field. Ben Bruce, Samuel Kosgei (Santa Fe, NM), Fred Tumbo (Santa Fe, NM), Joseph Mutinda (Santa Fe, NM) and Ryan Bak (Bend, OR) stayed together over the first seven miles. A 4:52 pace in the first mile distanced this group from Eddie Jones (Boise, ID) who ran solo in sixth place with no others in sight behind him. Bruce surged ahead partway through mile seven, and running the next three miles at a sub-4:50 pace allowed him to open up a 30 second lead by mile ten.

Bruce cruised to the finish running the final 5K in 15:19 to win by over a minute. Kosgei and Tumbo raced all the way to the finish with Kosgei taking second in 1:05:59, one second ahead of Tumbo's 1:06:00. Mutinda held on for fourth with his time of 1:06:13 and Bak rounded out the top five with a 1:06:41.

The women's race was a two-way battle until the turnaround with Stephanie Rothstein-Bruce and Risper Gesabwa (Marietta, GA) running side by side for the first eight miles. This duo was closely followed by Kellyn Johnson (Flagstaff, AZ). Two minutes back, Mary Akor (Hawthorne, CA) and Natalie Bak (Bend, OR) battled for the fourth place slot. As these women raced back towards the finish, Rothstein-Bruce began to pull away, steadily increasing her lead. Her winning time of 1:12:18 was a personal record for her in addition to being the second fastest course time for women. Gesabwa finish second in 1:13:39, followed by Johnson in 1:14:29, Akor in 1:17:48 and Bak in 1:17:53.

The Masters (40 and over) race for the women featured a fierce competition between three Big Sur masters' legends. Lisa Harvey (Calgary, AB, Canada), a former Olympian took the title for the third straight year in 1:20:44, followed closely by Mary Coordt (Elk Grove, CA), a two-time Big Sur International Marathon winner in a time of 1:20:57. Christine Kennedy (Los Gatos, CA), a four-time Masters champion, finished third in 1:24:53. Kennedy's time shattered the 55 - 59 age group record by almost 10 minutes and she now owns the age group records for 45-49, 50-54 and 55-59.

The Big Sur Half Marathon on Monterey Bay celebrated its 10th Presentation in grand style with a new record number of runners, perfect weather and flawless execution.

Darris Blackford provided inspiration and a fast pace for the 1:40 Clif Bar pace group

Post-event participant comments and evaluations provide the input that helps the Big Sur organization evaluate our strengths and weaknesses. Your positive comments and praise are always the "icing on the cake," but we look carefully at the areas where we fell down as well.

2012 was once more a banner year for this race and problems encountered race weekend proved minimal. Although we added 1,000 participants, a 12 wave start with 3 minutes between waves went a long way towards preventing course crowding, particularly in Pacific Grove where the road is narrow in places. The prediction of wind, rain and a cold temperature never materialized, and running conditions were near perfect.

Many were not happy with our race date being so late in November. While our long term plan is to eventually land on the second Sunday each November, the event date is tied to the availability of the Monterey Conference Center where our Expo is held. For the next few years race day will not fall the Sunday before Thanksgiving which was an issue the past two years. For a list of future event dates through 2030, click **HERE**.

Our Clif Bar pace team was well received with many runners signing up race weekend and hopefully achieving a new PR. The post-event chocolate milk was a big hit as well, along with the two new craft beers provided by Anheuser Busch. It was heartening to see so many relaxing at Custom House Plaza after the race, enjoying the music and sunshine and trading race day stories.

We apologize for running out of certain sizes of the event shirt, but happy to report that shirts were re-ordered and have all been shipped to anyone who notified us that they didn't receive one.

Thanks to all of you for choosing our event, and we hope you'll join us again on November 17, 2013 for our Eleventh Presentation. Registration will open on April 1, 2013 at 7:00 AM Pacific Daylight Time.

Some of our participants' comments included...

"It is the most scenic race I have ever run and ranks as the most enjoyable as the time just flew by with the beauty of the coast-line. It was a beautiful day and that made for a great race day. Running in the rain may not have made the experience as great. Yeh to the sun for coming out. Well organized. Shuttles worked great to and from the college where I parked. I came back into Monterey around 1:00 and you never would have known that there had been a race that morning. Good clean up job."

~ Jeanette Sawyer

I came a decent distance from the east coast (southeastern MA) for this race after hearing about it from a friend who lives in the Bay Area. The course was beautiful and the volunteers were great. I also appreciated all the communication and how the race got the entire town involved. I'd encourage anyone to run this race and I'd say it's worth the travel. I appreciated how well organized the race was after an incredibly disorganized race of a similar size...but a shorter distance, this past summer. Keep up the good work!"

This was my first half marathon..and one of the most amaz-ing experiences of my life. There was so much excitement and positive energy surrounding the race. The volunteers were great! The scenery was great! The entertainment was great! There just wasn't anything I didn't love about it. And, a friend and I enjoyed all of the time we spent in the Monterey area. I hope this was my first of many half marathons but the Big Sur half marathon will certainly be hard to top. Thanks for everything!"

"This was clearly one of the best organized halfs I have run. thanks to all of you who put it together, got us going, cleaned up amazingly quickly afterwards...it was remarkable. I love the wave starts...we don't have many of those in the Northwest where I live, and it really helped ease the congestion at the start of the race. Again, many thanks. I really hope to be back, and bring my son and daughter-in-law to race too!"

~ Kathy Sansone

"Thanks again for putting on such a great event! Fantastic job by all involved! I love the "green" efforts as well -- very commendable and I carried those thoughts home with me."

~ Debbie Kelly

"Once again the Big Sur organization did a wonderful job. We love this race from the beautiful course to the great entertainment and of course the invaluable volunteers. We are lucky enough to live here and walk this course weekly. But walking this course during a race and listening to other racers comment on the natural beauty makes it even more special. Thank you for all your hard work."

"Thank you so much for a great event! We ran it eight years ago, and were astounded at how much bigger it had gotten - but you guys handled the growth well. Thanks!"

~ Lani Teshima

"I've run nearly 50 races and the Big Sur Marathon events are BY FAR my favorite! While I had physical issues at the half on Sunday, it was still more than obvious how well organized the race was, great expo, tons of support, and such a beautiful course! I can't say enough good things and I aim to be back every year!!! Thank you so much!!! :)"

Pacific Grove Lighthouse 5K & Just Run Just Kids 3K

The Second Presentation of the Pacific Grove Lighthouse 5K set a record number of registrants at 845. Despite the floodgates opening just minutes prior to the 8:00 a.m. start, the runners weren't slowed down by rain, as evidenced by Geovanni Oseguera's winning time of 16:43, a new record for this course. Katie Taylor won the women's race in 18:53.

This new course, which starts in the heart of downtown Pacific Grove and then proceeds next to the Pacific Grove shoreline, is popular with runners looking for a shorter distance race, and for half marathoners doing a final tune-up for Sunday's event.

The JUST RUN! Just Kids 3K started on the heels of the 5K, with the runners on the same course but with an earlier turnaround. Over 500 children and their friends and families walked and ran the 1.8 mile route. The 3K is one of the goal races of the JUST RUN youth fitness program sponsored by the Big Sur Marathon. Following the 3K race, there was entertainment and a pancake breakfast at Jewell Park in Pacific Grove.

Next year's Pacific Grove Lighthouse 5K and JUST RUN! Just Kids 3K will take place on Saturday, November 16. Registration opens on April 1 at www.bigsurhalfmarathon.org.

Our Volunteers

The Big Sur Marathon organization offers a world-class race on one of the most beautiful courses in the country manned by hundreds of hardworking, enthusiastic, and energetic volunteers. Their dedication and commitment to the success of our events are what earns them one of the highest approval ratings in our Exit Poll.

Volunteers of all ages and from all walks of life begin their efforts days in advance of the race. At the Expo they unpack and label concession items, hand out bibs and event shirts and set up tents and fencing in the finish area. Race day finds them on the course handing out water, Gatorade and GU, doing traffic control at intersections and manning the start corrals. At the finish they hang a finisher's medallion on each runner's neck and load finishers up with post-event food and drink.

The bulk of our volunteers come from the military segment and are invaluable to our organization. With our race falling so close to Veteran's Day the military presence has special meaning and we very much appreciate their involvement.

Other key volunteer groups include the Central Coast Lighthouse Keepers who have helped out with our events for many years. They are joined by scout troops, track, cross country and wrestling teams, along with just regular people who enjoy volunteering. The common bond is the desire to put together a successful race that will make all participants want to come back time and time again.

We never lose sight of the fact that without our "community of volunteers" there would be no Big Sur Half Marathon. So, to all our wonderful volunteers, we offer a heartfelt THANK YOU, THANK YOU, THANK YOU!
