Big Sur HALF MARATHON on Monterey Bay

2013 OFFICIAL RESULTS BOOK

November 17, 2013

Greetings from the Event Organizers

Alheli Curry

Dear Athletes and Friends...

As event organizers, we work for months on the things we can control and hope for the best for the things we can't. Weather is one of those things that, to quote novelist Charles Dudley Warner, "Everybody complains about the weather, but nobody does anything about it." For the 11th Annual Big Sur Half Marathon on Monterey Bay last November, all of our crossed fingers must have been enough as race-day dawned calm, cool and cloudy: perfect running conditions. The sun even broke through for many enjoying the post-race celebration in Custom House Plaza at Monterey State Historic Park.

Thousands set personal records on the rolling, flowing 13.1-mile course. Of course, about 20-percent were sure to set PR's as it was their first-ever half marathon! Whether it was your first or hundredth half, we hope you had a great experience and will make plans to join us again next year—and tell your friends.

This event is produced by the same team of dedicated volunteers and staff that produce the Big Sur International Marathon weekend of events in April and the Run in the Name of Love 5K in Carmel on Father's Day. Our non-profit organization's mission is to serve the community by providing a world-class marathon and related fun events that raise money to benefit local charities while promoting health and fitness.

The volunteer groups and organizations that handed you your race number and T-shirt, installed the fencing for your start corral, handed you a cup of water on the course, placed a medal around your neck when you finished, provided tasty refreshments after the race, and tore everything down and cleaned up within hours of the last finisher all receive financial grants. In total, in the 29-year history of the BSIM organization, more than $3.3 million has been awarded to these hard-working groups, military units and organizations. Please see the list of these organizations on page 39.

We also want to thank our many dedicated sponsors and suppliers whose commitment helps us present a first-class events along with the cities and residents of Monterey and Pacific Grove and California State Parks for extending a hospitable welcome mat. As an example of their commitment: a small restaurant grease fire flared up only a block away and 20 minutes before the scheduled start of the Pacific Grove Lighthouse 5K, held the day before the half marathon. After quickly assessing the situation, area fire and public safety officials determined they could control the fire without disrupting the start or race course and gave us the green light for an on-time start.

Lucky? Perhaps a bit. We may cross our fingers now and then but we will continue to dedicate ourselves to improving our events for your safety, enjoyment and to help you reach your goals.

Thanks again for your participation and best wishes for your training and racing.

Elite Review

Elite runners in the deepest field ever assembled for the Half Marathon on Monterey Bay woke up race morning to almost perfect running conditions.
Temperatures in the low 50's and calm winds made a new course record a strong possibility. Although the course champion, Jacob Chemtai of the AmeriKenyan Running Club out of Santa Fe, New Mexico, missed the course record by 11 seconds, this race proved to be the fastest across the board in the event's 11-year history.

If you think this wasn't a deep field, just ask 2012 winner Ben Bruce. He won last year's race in 1:04:45. This year, Bruce ran a new personal record of 1:03:57 and finished 7th. A total of nine runners finished under 1:05 this year; a total of only 13 runners broke 1:05 for the past six years combined.

The first mile of the race saw a pack of 14 runners take the lead. A noticeable runner at the back of this pack was Sarah Kiptoo, a very fast woman among the elite men. They reached the mile one mark in 4:53 with Bruce in front. In the stretch through the Custom House tunnel, the field broke into three smaller packs. A 4:38 second mile was led by a five-man pack including, Nelson Uyogi (Kenya), Fernando Cabada (CA), Chemtai, Geofrey Terer (Kenya), and Benson Cheruiyot (Kenya).

By mile four, there was a two-man breakaway as AmeriKenyan Running Club teammates Chemtai and Uyogi opened up a 16-second lead over Cabada, Terer, Cheruiyot, and Aissa Dghoughi (Morocco) who had moved up to the second pack. Running miles six to ten in the high 4:40s gave Chemtai and Uyogi an insurmountable 30-second lead and set them up for a shot at the course record. The two teammates dueled all the way to the finish with Chemtai finishing six seconds ahead of Oyugi in 1:02:44, the second fastest time ever at the Half Marathon on Monterey Bay. Dghoughi finished 3rd in 1:03:20, followed by Cabada (1:03:25), Cheruiyot (1:03:37), Ian Burrell from Arizona (1:03:57), Bruce (1:03:58), and Stephen Furst from North Carolina (1:04:27).

Ben Bruce leads the pack, just past mile one in downtown Monterey

The women's race was over early as Sarah Kiptoo (Kenya) went out with the lead pack of men and smoked the field with a 10:10 over the first two miles. She cruised to the win in 1:11:21, the 2nd fastest time ever run by a woman on this course. The battle for second place was among four runners. Everlyne Lagat (Kenya), Jess Petersson (Denmark), Lindsay Flanagan (University of Washington), and Sarah Crouch (CA). In the end, the battle for second provided an incredible finish as Lagat and Petersson sprinted to the finish side by side with Lagat edging out Petersson by 6/10 of a second, both runners clocked in 1:13:49. Flanagan, in only her 2nd

half marathon, finished 4th with a PR 1:13:56. Crouch held on for 5th in 1:16:10. The top 8 was rounded out by Ariana Hilborn from Arizona (1:16:36), Julia Mallon from California, who was 6th American in the New York Marathon just two weeks earlier (1:17:49), and Jenny Kadavy from California (1:18:36). Just like the men's race, this was the deepest field ever on the women's side. In fact the fourth place time would have won three of the previous six races.

The master's race on the men's side saw two familiar faces and one impressive newcomer, all from California, battle for the win. New master Hector Hernandez outran Tony Torres to the finish in a winning time of 1:11:54. Torres, who also finished second last year was six seconds back in 1:12:00. Last year's master's champion Chris Knorzer came home third this year in 1:13:03.

The women's master's race saw two master's legends finish first and second. Mary Coordt of Elk Grove, CA, won this year after finishing second in each of the prior three years. Her winning time of 1:24:19 was just over a minute faster than Christine Kennedy who finished second in 1:25:36. Kennedy, who is 58 and a four-time master's champion of the Half Marathon on Monterey Bay, now holds the age group course record in three different age groups (45-49, 50-54, and 55-59).

A winning combination of a fast, scenic course and great competition will continue to make this one of the most popular half marathons in America.

Post-event participant comments and evaluations help us improve our events. Your positive comments and praise are always the "icing on the cake" and very appreciated. We also carefully read your concerns and suggestions for areas that you think can be improved.

In 2013, we were graced with beautiful weather and near-perfect running conditions which were most likely responsible for a record number of finishers and an abundance of smiles race morning.

Many of you indicated that, in addition to running in the race, you spent time visiting, shopping or pursuing recreational activities in downtown Monterey, Pacific Grove, Carmel and visited the Monterey Bay Aquarium, Cannery Row and Fisherman's Wharf. Quite a few took of you took the time to drive down to Big Sur, perhaps to preview the April marathon course and enjoy the spectacular scenery. We pride ourselves on being a destination event and hope you had the time and opportunity to explore the beautiful Monterey Peninsula.

With more and more runners running with GPS-enabled watches or smart phone applications, we do receive a handful of comments concerning the course length. This is because, in our experience, most of those devices show courses as longer than the certified distance. Our race director Doug Thurston is an experienced course measurer and offers a comprehensive explanation of course measurement and GPS readings HERE.

We received hundreds of comments about the race in the post-race survey, Facebook, and by email. While the vast majority were positive, there were some runners that did not have the experience they expected or offered suggestions for improvements.

We all know how important the race shirt is to most runners so it's not surprising that it generates the most comments. Some were not happy with the fit, the color, the graphics, the size they received versus what they ordered, separate styles and colors for men and women, etc. Each year, our shirt colors and styles are selected more than nine months before the race and based on what ASICS will have available. We have and will carefully review past sizing requests, number of shirts actually picked up race weekend, etc., when placing the order. We will also take a look at the race graphic to see if maybe it isn't time for an updated image.

Other areas that received comments and suggestions include the number and location of porta-potties, crowding on the course and in the runner finish area and post-race areas, poor self-seeding by runners in their start corrals, finish medal design, and course entertainment. We appreciate all comments and plan to implement improvements where and when possible.

Your suggestions and comments are always welcome. Please send to info@bsim.org.

Thanks to all of you for being a part of our Half Marathon on Monterey Bay and we hope you'll join us again on November 16, 2014 for our 12th Presentation. Registration will open on April 1, 2014 at 7:00 AM Pacific Daylight Time.

Some samples from hundreds of participants' comments...

"Can't say enough about the race... Course is beautiful, organized to perfection, plenty of aid stations, entertainment and community support. Proud to participate and be part of the running community. Well done Big Sur organization, grade A+!!!!!"

"Fabulous event! Love the positive energy of all the volunteers. I ran with a huge grin on my face the entire course. Best half marathon in the west! And maybe the country!"

"Great day. The volunteers were fantastic. Incredibly well organized. We should put you guys in charge of our local city governments!"

"I absolutely love this race, and the organization of it is one of the top reasons. The course speaks for itself, but the volunteers and the ease with which the race flows (pre, post and during) should be a model for other organizers. Well done, as always! Thank you!"

"I felt the finish area was very congested and we had to keep walking in circles to warm down. It would have been nice if there was more room between the finish line and the food area."

"I could have used more music on the last half of the run, the hard, part for more distraction. I love this race and will be back!"

Robb Hallock

Closing in on mile 13

"I felt the shirt design is not interesting. With my hair down, you can't see the design in the back at all. I understand this is a traditional design that you put on the shirts every year. The front has a simple design in the corner. So overall, the shirt is sparse. Additionally, I usually wear a women's x-small in race shirts. The small size I got is too big. So, unfortunately, I probably won't wear it too often."

From Emails & our Facebook Page

"Thanks you Big Sur International Marathon! I couldn't have asked for a better weekend of excellent weather and miles filled with smiles. By far, this was my most enjoyable, and deliberately, the slowest Half Marathon yet! With such magnificent views and perfect weather, I didn't want it to end!"

"Seriously, you put on the most beautiful and well-run races! I LOVED all of the musicians yesterday. The sound of the bagpipes resounding through the tunnel was incredible! And, meeting the Taiko drummers at the turn-a-round was a perfect touch. Thank you!"

"Fourth year running this beautiful race. My boyfriend and I make it an annual getaway as we drive up from L. A. Thrilled with a 7 minute PR as I finished happily in 2:08:59!! See you next year BSHM!"

"I've run 50+ races. This Half is #1 in my book: excellent organization, traffic control, hospitality, cheering, and, of course, view sells itself. Simply blew me away. Hard to top and I'll be back!"

Pacific Grove Lighthouse 5K & Just Run Just Kids 3K

Congratulations to all 666 finishers of the Third Presentation of the Pacific Grove Lighthouse 5K! Our male winner was Eric Palmer of Monterey, CA, with a time of 15:58. Our first female was Kristin King from Santa Cruz, CA, in 19:24. The 5K course was certified this year and awards were given 3-deep in five year age groups. For a complete list of divisional awards, see page 38.

A grease fire in a downtown restaurant adjacent to the start area broke out shortly before 8:00 AM, but the race began on time; hats off to local fire departments for their swift response and handling of the situation. Weather conditions proved perfect for running and walking, and participants were treated to stunning views of the Monterey Bay.

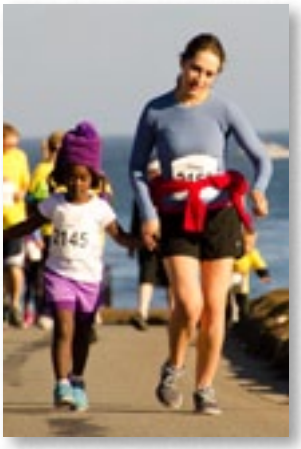
The very cute 3K finisher's medallion



Jon O'Keefe

The 3K is a great family affair that promotes health & fitness

The JUST RUN! Just Kids 3K fun run started on the heels of the 5K with over 500 children and their friends and families taking part. The 3K is one of the goal races of the **JUST RUN** youth fitness program sponsored by the Big Sur Marathon. Following the 3K race, there was a pancake breakfast at Jewell Park in Pacific Grove.

Next year's Pacific Grove Lighthouse 5K and JUST RUN! Just Kids 3K will take place on Saturday, November 15. Registration opens on April 1, 2014 at www.bigsurhalfmarathon.org.

Half Marathon Memories

Our Volunteers

The Big Sur Marathon organization's mission is to offer world-class races on some of the most beautiful courses in the country manned by hundreds of hardworking, enthusiastic, and energetic volunteers. Their dedication and commitment to the success of our events are what earns them one of the highest approval ratings in our exit poll.

Volunteers of all ages and from all walks of life begin their efforts days in advance of the race. At the expo, they unpack and label concession items, hand out bibs and event shirts and set up tents and fencing in the finish area. Race day finds them on the course dispensing water, Gatorade and GU, doing traffic control at intersections and manning the start corrals. At the finish they hang a finisher's medallion on each runner's neck and load finishers up with post-event food and drink.

The bulk of our volunteers come from the military segment and are invaluable to our organization. With our race falling so close to Veteran's Day the military presence has special meaning and we very much appreciate their involvement.

Other key volunteer groups include scout troops, track, cross country and wrestling teams, along with just regular people who enjoy volunteering. The common bond is the desire to put together a successful race that will make all participants want to come back time and time again.

We never lose sight of the fact that without our "community of volunteers" there would be no Big Sur Half Marathon. So, to all our wonderful volunteers, we offer a heartfelt THANK YOU, THANK YOU, THANK YOU!
