2014 OFFICIAL RESULTS BOOK

November 15 & 16, 2014

Greetings from the Event Organizers

Dear Athletes and Friends...

Thank you for participating in the 12th Presentation of Big Sur Half Marathon on Monterey Bay. Race weekend once again featured beautiful weather with calm, cool and sunny running conditions that helped thousands set personal records.

This event is produced by the same team of dedicated volunteers and staff that produce the Big Sur International Marathon weekend of events in April, the Run in the Name of Love 5K in Carmel on Father's Day, and the year-round JUST RUN youth fitness program. Our non-profit organization's mission is to serve the community by providing a world-class marathon and related fun events that raise money to benefit local charities while promoting health and fitness.

More than 2,000 volunteers from local groups and organizations work on all aspects of the events. During the 30-year history of the BSIM organization, more than \$3.5 million has been awarded to these hard-working groups, military units and organizations. Please see the list of these volunteer organizations on page 44.

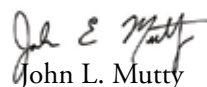

This race also would not be possible without the support of many dedicated sponsors and suppliers, the cities of Monterey and Pacific Grove, and our friends at California State Parks.

Thanks to the many hundreds who completed the post-race survey. Your responses and suggestion are helpful for improving the event experience. A summary of some of the notable demographic details and comments begins on page 4.

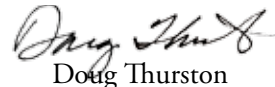

Be sure and follow us on Facebook (look for us under "Big Sur International Marathon") and follow us on Twitter (@BSIMEvents). We'll keep you informed of developments for all of our events including when registration opens, fun contests, and interesting conversations with fellow runners around the world. Also, be sure to download our mobile app at the App Store or Google Play; search under "BSIM Events."

Whether this was your first race or five hundredth, we hope you had a great experience and will make plans to join us ***again next year—and tell your friends.***

Thanks again for your participation and best wishes for your training and racing.

Elite Review

Over 7,000 runners lined up under sunny skies and good racing conditions for the 12th Presentation of the Half Marathon on Monterey Bay. Temperatures in the low 50's and light wind contributed to hopes of running a great race for the 30-plus elite athlete field.

Though conditions seemed ideal for running, the times of the top three competitors were slightly slower than in 2013. Jacob Chemtai, the 2013 winner, finished at 1:03:22, 38 seconds slower than his near-course record time last year. Second place male winner Nelson Oyugi, placed second again at 1:03:31, 41 seconds off his 2013 time. Repeat female winner Sarah Kiptoo, who took the lead from the beginning, finished at 1:13:40, a little over two minutes off her 2013 time.

Guor Maker, a 2012 Olympic marathoner, went out with the leaders but dropped back near mile three and he held that position to the finish, coming in at 1:05:52. Maker, now a U.S. citizen, was called "the man without a country" during the London Olympics, where he ran under the Olympic flag since his native country of South Sudan did not have an Olympic Committee.

The prize purse of \$20,000, the largest in the western U.S. for half marathons was distributed among the top eight male and female runners, and the top three male and female Masters (over age 40). This year, additional cash bonuses were awarded to the top three male and female American runners and to any runner qualifying for the 2016 U.S. Olympic Marathon Trials with a time of sub-1:05 for men and sub-1:15 for women.

en. Kara Foster (2nd place female) of Boalsburg, PA, took home a \$500 bonus for coming in under the Olympic Trials threshold at 1:14:29. Kristen Zaitz (3rd place) of Broomfield, CO, finished at 1:14:37, though had previously qualified for the trials earlier this year. No American male finished under the qualifying standard.

The top three Americans for the cash bonus included Maker, Sean Gildea (5th place) of Thousand Oaks, CA (1:06:33), and James Lander (6th place) of Fullerton, CA (1:07:24). The top three American females were Foster (1:14:29), Zaitz (1:14:37) and Jenna Boren of Menlo Park, CA, who placed 7th at 1:17:04.

Top Masters runners included Christine Kennedy of Los Gatos, CA, who placed first among females at 1:27:19. The 59-year-old finished well ahead of the much younger 2nd (age 46) and 3rd (age 44) place winners. This is her fifth masters title at this event. Chris Knorzer of Rocklin, CA, won his second masters title in 1:11:05.

Suggestions for Next Year? We're On It!

Thank you to those who completed the post-race survey and/or shared comments and suggestions on ways we can improve our events. We are very proud of the work done by our volunteer race committee but we also understand that not every participant had a 100-percent positive race weekend experience. Some of the more frequent concerns included the tight fit of the women's half-marathon shirts that resulted in running out of some sizes, crowding at the aid stations on the course, and delays getting through the post-race runner food area. We are already looking at ways to improve these and other important areas. Shirts have been mailed to all those who did not receive one race weekend.

We also learned from the survey how many of you did more than just run your race. Most participants also spent time visiting, shopping or pursuing recreational activities in downtown Monterey, Pacific Grove, and Carmel and visiting the Monterey Bay Aquarium, Cannery Row and Fisherman's Wharf. We pride ourselves on being a destination event and hope you had the time and opportunity to explore the beautiful Monterey Peninsula.

More and more runners run with GPS-enabled watches or smart phone distance-measuring apps. If you use one of these handy training devices, you may have noticed it measured a course longer than what you anticipated. In our extensive

experience, most GPS devices show courses as longer than the certified distance. The Big Sur Half Marathon on Monterey Bay was measured by our race director Doug Thurston, who is an internationally-accredited course measurer. For those interested, Thurston offers a comprehensive explanation of course measurement and GPS readings [HERE](#).

We know there are more choices than ever for those who want to run a fall half marathon or 5K. Thanks to all of you for being a part of the 2014 Big Sur Half Marathon on Monterey Bay and we hope you'll join us again on November 8, 2015 for our 13th presentation. Registration will open on April 1, 2015 at 7:00 AM Pacific Daylight Time Your suggestions and comments for future races are always welcome. Please send them to info@bsim.org.

Some samples from hundreds of participants' comments...

"By far, the BSIM group is the BEST event organizer in the sport. I've run 30 full marathons + 75 half marathons, and I am continually impressed with my experience at your events. You are the ultimate model of great racing events!!! And I am very much look forward to April when I have the privilege (yes, I consider it a gift) to run my 5th Big Sur full marathon."

"As always, BSIM puts on the Rolls Royce of all events. Even though I finish late, I feel cared for, appreciated, and I can relax and have a great time! Thank you, volunteers, sponsors, and organizers. You rock!"

"Not sure what I can add, other than to continue to maintain the incredibly high standard you achieve each year. I've recommended the BSHM and BSIM to numerous running friends, and, though I worry about recommending and things not going well, the Big Sur events deliver each time. In April, I have friends traveling from several parts of the US, Canada, England and Germany. Why, because we love Big Sur courses and how amazingly runner oriented the staff and organization is."

"Thank you for a very special event. I have run 14 half marathons and Big Sur Half is my favorite. Thank you for:

- *Corral starts and plenty of potties*
- *Beautiful scenic course*
- *Entertainment during the race*
- *Cheerleaders*
- *Plenty of water stations with friendly volunteers*
- *Great finisher medals*
- *Easy to find gear bags*
- *Excellent selection of food choices*
- *Tasty beer and soup*
- *Lively rock band*
- *Professional announcers at awards ceremony*
- *Instant on-line results*
- *Perfect weather*

But I guess you know all of this....you planned it that way! Thank you for providing this experience for us!"

"Thank you so much for another wonderful event! The volunteers were fantastic, logistics couldn't have been smoother and easier, the post-race food is orders of magnitude better than anywhere else I've run (strawberries!) and the scenery / course is second to none. Thank you!!! You all did an impeccable job; thanks for sharing your town with us all for the weekend!"

Pacific Grove Lighthouse 5K & By the Bay 3K

The By the Bay 3K fun run started Saturday's races with just under 500 children and their friends and families taking part. The 3K is one of the goal races of the **JUST RUN** youth fitness program sponsored by the Big Sur Marathon. Following the 3K race, the Pacific Grove Kiwanis Club offered a pancake breakfast at Lovers Point Park in Pacific Grove.

Next year's Pacific Grove Lighthouse 5K and By the Bay 3K will take place on Saturday, November 7. Registration opens on April 1, 2015 at www.bigsurhalfmarathon.org.

Our Volunteers

The Big Sur Marathon organization's mission is to offer world-class races on some of the most beautiful courses in the country manned by hundreds of hard-working, enthusiastic, and energetic volunteers. Their dedication and commitment to the success of our events are what earns them one of the highest approval ratings in our exit poll.

Volunteers of all ages and from all walks of life begin their efforts days in advance of the race. At the expo, they unpack and label merchandise items, hand out bibs and event shirts, and set up tents and fencing in the finish area. Race day finds them on the course dispensing water, Gatorade and GU, doing traffic control at intersections and manning the start corrals. At the finish, they hang a finisher's medallion on each runner's neck and load finishers up with post-event food and drink.

Many of our volunteers come from the military segment and are invaluable to our organization. With our race falling so close to Veteran's Day the military presence has special meaning and we very much appreciate their involvement.

Other key volunteer groups include scout troops, track, cross country and wrestling teams, and just regular people who enjoy volunteering. The common bond is the desire to put together a successful race that will make all participants want to come back time and time again.

Volunteers offer medallions to happy finishers

We never lose sight of the fact that without our "community of volunteers" there would be no Big Sur Half Marathon. So, to all our wonderful volunteers, we offer a heartfelt THANK YOU, THANK YOU, THANK YOU!
