Thanks For Your Participation

Dear Athletes and Friends,

Thank you for participating in the 13th Half Marathon on Monterey Bay. Race weekend once again featured beautiful weather with calm, cool and sunny running conditions that helped thousands set personal records. We were especially happy the much-needed rain didn't arrive until several hours after the Half Marathon!

We know the half marathon distance is more popular than ever with more and more events popping up in Northern California, across the country and throughout the world. We thank you for choosing our event. We had half marathon participants from 49 states and more than two dozen countries. And if you are wondering, our running friends in Rhode Island missed our race—but we are confident we will have a runner from the Ocean State in 2016!

We hope you noticed and enjoyed the numerous small changes throughout race weekend. We are very proud of our events yet also challenge ourselves to improve your race weekend experience. A key to this quest to improve is our post-race survey; thanks to the many hundreds who completed this survey: a summary of some of the notable comments and interesting event demographics begins on page 6. We always welcome your comments, concerns, and questions. Please contact us at info@bsim.org.

Our event is produced by the same non-profit organization that produces the Big Sur International Marathon weekend of events each April, the Run in the

Name of Love 5K in Carmel on Father's Day, and the year-round, award-winning JUST RUN youth fitness program.

A race committee, 85 strong, and a small staff direct the efforts of more than 1,500 volunteers from local groups and organizations dedicated to providing you the best event possible. Please see the list of these groups, military units and organizations on page 48. This race also would not be possible without the support of many dedicated sponsors and suppliers, the cities of Monterey and Pacific Grove, and our friends at California State Parks.

We hope you will mark November 13, 2016, on your calendar to join us again next year. And bring a friend! Registration at a special rate will open on April 1, 2016.

Be sure and follow us on Facebook (look for us under "Big Sur International Marathon") and follow us on Twitter and Instagram (@BSIMEvents). We'll keep you informed of developments for all of our events, remind you when registration opens, feature fun contests and beautiful pictures, and entertain with conversations from fellow runners around the world. Also, be sure to download our mobile app at the App Store or Google Play; search under "BSIM Events."

Best wishes for your training and racing in 2016 and beyond.

KARA GOUCHER

Half Marathon on Monterey Bay

Barno, Goucher Capture Titles over Deep Fields

Two-time U.S. Olympian Kara Goucher and Kenyan Elisha Barno pulled away from deep fields to record the second-best race times ever and captured the overall titles ahead of nearly 7,000 runners at the 13th Big Sur Half Marathon on Monterey Bay.

Both athletes, first-timers on the scenic course through downtown Monterey and Pacific Grove, California, proved they didn't need experience on the mostly-flat route as both distanced their peers in the last five miles.

A \$20,000 purse of prize money and bonuses, the largest for a half marathon in the western U.S., was distributed among the top eight male and female runners and top three masters runners along with bonuses for the top three American finishers and any U.S. runner who qualified for the 2016 Olympic Marathon trials at the race.

In the men's race, a pack of eight runners broke away after a conservative first two miles. The international field included five Kenyans, a Moroccan, a Canadian, and an American. Among them were two-time defending champion Jacob Chemtai and Nelson Oyugi, runner-up in the last two races. After the turn-around near mile eight along the crashing waves of the Pacific Ocean, Elisha Barno and fellow Kenyan Macdonard Ondara, winner of the event in 2007 and 2010, pushed the pace to drop the rest of their rivals. Barno pulled away in the last mile to win in 1:03:04, the third fastest winning time ever. Ondara held on for second in 1:03:31. The next five runners had a great battle to the finish with only 31 seconds separating third through eighth place. Moroccan Karim El Mabchour outkicked American Scott Bauhs by two seconds to finish 3rd in 1:03:54. Bauhs' 1:03:56 was not only good for 4th place overall, but he also won bonuses as the first American and for qualifying for the Olympic Marathon Trials by breaking 1:05.

The women pushed their pace right from the start with Goucher who was using this event as an important test of her Olympic Trials preparation. Ethiopian

Simegn Yesanbel, Kenyan Hellen Jepkurgat, and fellow American Kristen Zaitz spent time alongside Goucher for the first eight miles before Kara pulled away over the last five miles to win comfortably in 1:11:13, the second-fastest time ever recorded in this race. Yesanbel held on for second in 1:12:47 and Zaitz held off Jepkurgat to finish third in 1:13:02 to Jepkurgat's 1:13:18.

Both champions commented on the beauty and challenge of the course.

"I see the ocean, the birds flying and the people cheering the athletes so that made me run faster," Barno, 30, said.

Goucher, 37, said "I thought this course was going to be easier than it was, but I love a challenging course. This is the starting place for me leading up to the (Olympic) Trials. It's a good place to start; it's the fastest I've started in years."

In the masters division for runners age 40 and over, Kenyan Meshack Kirwa finished eighth overall and

shattered the male masters record by over six minutes in 1:04:25.

The masters women's race saw five-time master's division winner Christine Kennedy of Los Gatos, CA add a sixth crown for runners 40 and over. Kennedy, 60, ran 1:27:26, which was 15 minutes under the old course record for women 60-64. She now holds the record for four different age groups.

"Half marathons are more popular than ever and runners have many more races to choose from," said Doug Thurston, race director. "We are happy our event remains very popular. It's a tribute to the hard work of our race committee, volunteers, and staff and to the incredible beauty of this course."

The Half Marathon on Monterey Bay is sponsored by Asics, Runner's World, Marathon Foto, Dole Food Company, Gatorade, GU, Michelob Ultra and others. The 2016 race will be held on November 13; registration opens on April 1. For more information and race results visit www.bigsurhalfmarathon.org.

Some of your comments on our events:

"Phenomenal event, universally the course environment was one of joyousness! Tremendously well organized. Kudos to the legions of friendly, helpful volunteers. Loved the music bands, a unique characteristic."

"I have run dozens of half marathons and some of the biggest marathons in the country (NY, Chicago, Marine Corps) and this is - by far - my FAVORITE race ever! It has the ease of a small "home town" race but is flawlessly organized by the team that puts on one of the most prestigious races in the world. The course is beautiful, the entertainment is awesome and the post-race food is the BEST! I can't wait to take part in the full marathon in April!"

I just love the race weekend vibe in Monterey - it feels as if you've energized the whole town. The volunteers are just amazing - there's never *less* than a smile, and they often seem to be thinking ahead, and do something for me even before I've thought that I want it. Really quite impressive!"

"Whenever I felt thirst, there was a water station. Whenever I felt tired, there was a GU station. Great organization!"

"You guys did it exceptionally right this year. The stories in the program were great. I LOVED the Treadmill pacers and the expanded recovery zone, very classy and gave your HUGE event a local feel. And having "instructors" at the recycling/compost bins is inspired. These touches make this race a cut above."

"The flawless organization of the event is the foundation to freely enjoy the unique and gorgeous ocean views."

"A+ in every area. This was the very best managed, communicated, course-supported race I have ever experienced. The entertainment was outstanding and to see race officials (the gentlemen in the sport coats and khakis) just before the finish line cheering on some final finishers absolutely sealed the deal that this race will forever be number one in my book. You really made an impact on me with your small, thoughtful gestures to your runners. Thank you."

By the Bay 3 K & Pacific Grove Lighthouse 5K

The By the Bay 3K fun run kicked off Saturday's races with just under 300 children and their friends and families taking part. The 3K is one of the goal races of the **JUST RUN** youth fitness program sponsored by the Big Sur Marathon. Following the 3K race, the Pacific Grove Kiwanis Club offered a pancake breakfast at Lovers Point Park in Pacific Grove.

Next year's Pacific Grove Lighthouse 5K and By the Bay 3K will take place on Saturday, November 12. Registration opens on April 1, 2016 at www.bigsurhalfmarathon.org.

Congratulations to all 732 finishers of the Fifth Presentation of the Pacific Grove Lighthouse 5K! Weather conditions proved perfect for running and walking and participants were treated to stunning views of the Monterey Bay. The male winner was Salvador Guerrero, age 40, with a time of 16:19. The first female was Brita Bruemmer, age 54, of Monterey, CA, in 20:41. Both Guerrero and Bruemmer also were the first place Master's winners.

Half Marathon Memories

Our Volunteers

.....

The Big Sur Marathon organization's mission is to offer world-class races on some of the most beautiful courses in the country manned by hundreds of hardworking, enthusiastic, and energetic volunteers. Their dedication and commitment to the success of our events are what earns them one of the highest approval ratings in our exit poll.

Volunteers of all ages and from all walks of life begin their efforts days in advance of the race. At the expo, they unpack and label merchandise items, hand out bibs and event shirts, and set up tents and fencing in the finish area. Race day finds them on the course dispensing water, Gatorade and GU, doing traffic control at intersections and manning the start corrals. At the finish, they hang a finisher's medallion on each runner's neck and load finishers up with post-event food and drink.

Many of our volunteers come from the military segment and are invaluable to our organization. With our race falling so close to Veteran's Day the military presence has special meaning and we very much appreciate their involvement.

Other key volunteer groups include scout troops, track, cross country and wrestling teams, and more. New this year were several groups from Pacific Grove manning intersections and cheering on runners. The common bond is the desire to put together a successful race that will make all participants want to come back time and time again.

We never lose sight of the fact that without our "community of volunteers" there would be no Half Marathon on Monterey Bay. So, to all our wonderful volunteers, we offer a heartfelt THANK YOU, THANK YOU, THANK YOU!
