Thanks For Your Participation

Congratulations!

The 14th Half Marathon on Monterey Bay last November featured stunning views of large waves crashing along the rocks of the Monterey Bay shoreline, bright sunshine after a foggy start, and great performances among more than 6,200 finishers. The day before the half marathon, the Pacific Grove Lighthouse 5K and By-the-Bay 3K featured a sparkling, clear morning and a record number of runners along the coastal course.

We know there are many races from which to choose and we thank you for choosing our event. We had entrants from 49 of our 50 states—can you guess which state was missing? The answer is below—and two dozen countries.

We hope you noticed and enjoyed the numerous small changes throughout race weekend. Many of you rang the “PR Bell” in the finish village and thousands enjoyed a refreshing post-race celebratory glass of Barefoot Bubbly or a Lagunitas beer. We also added more course entertainment and more post-race food options. And, there was the inaugural “Equalizer Challenge” at the front of the half marathon, where we started the elite women’s field nine minutes in front of the elite men to see who would cross the finish line first. See the story for more details on page 4.

We are very proud of our events yet also challenge ourselves to continually improve the race weekend experience. Thank you to the more than 1,800 entrants who completed our survey, giving us valuable feedback. A summary of some of the notable comments and interesting event demographics begins on page 6.

Our Half Marathon weekend of events is produced by the Big Sur International Marathon, the same non-profit organization that produces the namesake week-end of events each April, the Run in the Name of Love 5K in Carmel each June on Father’s Day, the Salinas Valley Half Marathon in August, and the year-round, award-winning JUST RUN youth fitness program. Our event committee features more than 80 dedicated and passionate volunteers coordinating the efforts of more than 1,500 volunteers throughout race weekend. These groups, military units, and organizations are listed on page 47. This race also would not be possible without the support of many dedicated sponsors, the cities of Monterey and Pacific Grove, and our friends at the Dali17 Museum and California State Parks.

We hope you will mark November 12, 2017, on your calendar and join us for our 15th presentation. And, please, bring a friend! Registration will open on April 3, 2017. Be sure and follow us on Facebook (look for us under “Big Sur International Marathon”) and follow us on Twitter and Instagram (@BSIMEvents). We’ll keep you informed of developments for all of our events, remind you when registration opens, feature fun contests and beautiful pictures, and entertain with conversations from fellow runners around the world. Also, download our mobile app at the App Store or Google Play; search under “BSIM Events.”

Oh, and the state without an entrant this year was Delaware!

Best wishes for your training and racing in 2017 and beyond.

Men Win Inaugural Equalizer Bonus at Half Marathon on Monterey Bay

The first 'battle of the sexes' challenge provided an exciting finish to the Half Marathon on Monterey Bay last November. The 16 female elite and seeded runners started the race nine minutes ahead of the 26 top male runners. The differential was based on the average gap between the first male and female finishers in this race the last five years.

After a relaxed first few miles at 5:45-per-mile pace that saw eight women running together through the low clouds and fog along Monterey Bay, five women broke away and started pushing the pace, perhaps sensing they needed to average more like 5:30 miles to hold off the men.

The women's pack was whittled down to four before a turn-around near Asilomar State Beach. It was shortly after this, at their mile eight, that the leading group of women saw the pack of about five men less than a mile behind them on the out-and-back section of the course.

By nine miles, the top three women were working together to keep the intensity high and to take turns fighting a pesky head wind. Sara Pagano of Brighton, MA, Becky Wade of Louisville, CO and Lauren Jimison of El Dorado Hills, CA were on track to be the first three women. The question was if one of them would also be first to the finish.

The men's pack dwindled to three and began making up more than 30 seconds a mile on the pack of ladies, sometimes visible on rare straight sections of the course. Aaron Braun of Flagstaff, AZ, Daniel Tapia, a native of nearby Castroville and now training in Mammoth Lakes, CA. and Martin Hehir, Braun's training partner in Flagstaff, could see the women only a hundred yards ahead as they ran past the Monterey Bay Aquarium on Cannery Row at mile 12.

Despite the cheers and encouragement of hundreds of runners still headed outbound, at mile 12.3, Braun pushed past first Jimison, Pagano, and, finally a few strides ahead, Wade. Braun went on to hold off Tapia by four seconds to take the win in 1:03:32 and win

the \$5,000 'equalizer' bonus for the first person to cross the finish line. He added that to the \$4,000 as the first male finisher for the largest first prize ever awarded at this race.

"I was optimistic but it's such a long race," Braun said after the race. "Just like life, you just keep trying and eventually the finish line comes and it's worth it."

Pagano surged past Wade in the last 200 yards to take home the \$4,000 women's first prize in 1:13:04. The final gap between the men's and women's championships was nine minutes and 32 seconds.

Pagano called the gender competition "awesome," and praised the beauty of the course.

"How can you beat this? The whole course was incredible and the people cheering along the way was a really fun part too."

~ Sarah Pagano

Daniel Tapia, the 2010 winner of the Big Sur International Marathon, finished four seconds behind Braun in 1:03:36 with Martin Hehir 9 seconds later at 1:03:45.

Wade held on for second in 1:13:08 among the women with Jimison coming in the third female spot at 1:13:13.

The elite competition purse totaled \$32,000 in prize money and bonuses, making this year's Half Marathon on Monterey Bay the country's fourth richest half marathon race.

"Today couldn't have gone any better," said race director Doug Thurston. "It was an exciting elite finish and a beautiful day with many runners getting PR's (personal records)."

Runner Survey Comments and Suggestions

Thanks to the more than 1,800 entrants who completed the post-race survey. We have read through the thousands of individual comments, sharing with our volunteer race committee the things you liked and the things we can improve for our next event.

Some common themes are:

What you liked:

- The Lagunitas beer and Barefoot Bubbly after the race
- The energetic and entertaining race announcers
- Gorgeous coastal views, crashing waves, and scenery on all courses
- Unique finisher medallions
- The PR bell
- The on-course entertainment including the tunnel light show, bagpiper, and the drummers
- Overall race organization and friendly volunteers

Areas for improvement:

- The fit of the women's race shirts
- The number of vendors in the expo
- Lack of directional signage to the post-race shuttle location
- Long lines for the post-race brew and bubbly
- Early road closures in Monterey that made parking difficult
- Course crowding in some areas including at the aid stations

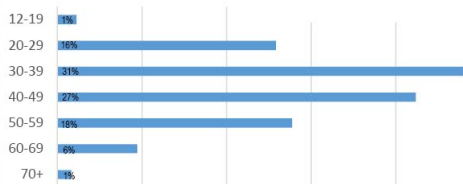

Thank you to all who participated in our races. We are already making plans for a better race this November and hope to see you there!

Our Volunteers

.....

The Big Sur Marathon organization's mission is to offer world-class races on some of the most beautiful courses in the country manned by hundreds of hardworking, enthusiastic, and energetic volunteers. Their dedication and commitment to the success of our events are what earns them one of the highest approval ratings in our exit poll.

Volunteers of all ages and from all walks of life begin their efforts days in advance of the race. They unpack and label merchandise items, hand out bibs and event shirts, and set up tents and fencing in the finish area. Race day finds them on the course dispensing water, Gatorade and GU, doing traffic control at intersections and manning the start corrals. At the finish, they hang a finisher's medallion on each runner's neck and load finishers up with post-event refreshments.

Many of our volunteers come from military members stationed in Monterey and are invaluable to our organization. With our race falling so close to Veteran's Day, the military presence has special meaning and we appreciate their involvement.

Other key volunteer groups include scout troops, track, cross country and wrestling teams, and more. The common bond is the desire to put together a successful race that will make all participants want to come back time and time again. So, to all our wonderful volunteers, we offer a heartfelt THANK YOU, THANK YOU, THANK YOU!

"It exceeded my expectations. It was my first half marathon and I felt nervous/overwhelmed by the number of people registered and starting my corral groups. But your emails and the book in our bib bags were so helpful. I arrived on race morning and everything was so simple and organized functioning like a well-oiled machine. It was a very positive experience! Thank you."
