Thanks For Your Participation

.....

Thank you for your participation in the Monterey Bay Half Marathon weekend of events!

We were so happy to host you this year. After the cancellation of the Half Marathon in 2018, it was great to finally see the streets of Monterey and Pacific Grove filled with runners. The conditions for the Saturday and Sunday races were excellent and we know many of you ran personal bests on our scenic courses.

At the front of the races, both the 5K and the Half Marathon featured eye-popping performances. In the Pacific Grove Lighthouse 5K, 13-year-old Broen Holman of Sonora, Calif., ran 15:23, which we understand is the fastest time ever recorded by a runner his age in a certified 5K. In Sunday's Half Marathon, Vicoty Chepngeno smashed the women's course record with a dazzling 1:08:03, knocking one minute and 40 seconds off a mark set way back in 2010. It was also the first time a female runner captured the Equalizer Challenge. In this innovative program, the elite women start nine minutes and five seconds before the elite men. Chepngeno's stunning performance kept her more than three minutes ahead of the first male runner, Futsum Zienasellassie's 1:02:33 performance, which was only one second off the men's course record!

The Monterey Bay Half Marathon weekend of events is produced by the non-profit Big Sur Marathon Foundation (BSMF), the same organization that produces the iconic Big Sur International Marathon in April as well as Run in

the Name of Love in June and the year-round JUST RUN® youth fitness program. Our mission is to create beautiful events that promote health and benefit the community. Each year, our organization distributes more than \$400,000 in grants to other non-profit organizations and agencies. Your entry fees and support of our events makes this possible.

The race wouldn't happen without our dedicated and passionate volunteers, led by the 80-plus members of our Events Committee, the men and women you saw throughout race weekend wearing the distinctive blue jackets. They coordinate more than 60 volunteer groups that provide more than 1,500 volunteers including our friends at the Defense Language Institute. A listing of these groups is on page 51. Join us in thanking them for making this race possible!

We also want to thank our many dedicated sponsors, the cities of Monterey and Pacific Grove, and our friends at California State Parks.

We hope you join us November 14-15, 2020, at the next Monterey Bay Half Marathon, Pacific Grove Lighthouse 5K, and By-the-Bay 3K. Registration will open on Monday, March 2, 2020. Be sure and follow us on Facebook (look for us under "Monterey Bay Half Marathon"), on Twitter, and on Instagram (@BSIMEvents).

Congratulations on your run and we wish you great health and training and we look forward to seeing you next year.

Female Runner Wins Equalizer Challenge and Sets New Course Record!

.....

Vicoty Chepngeno

Applause erupted as Vicoty Chepngeno broke the tape at the 16th Monterey Bay Half Marathon, becoming the first woman to win the innovative Equalizer Challenging and holding off the elite men who started nine minutes and five seconds behind her to be the first runner across the line.

Chepngeno, a Kenyan living and training in Grand Prairie, TX, covered the 13.1-mile course in 1:08:03, smashing the women's course record by over a minute and half. As the race began Sunday morning, the 25-year-old made a clear break from her competitors and maintained a healthy lead throughout the race, clicking off 5:10 miles. Futsum Zienasellassie, 26, of Flagstaff, AZ took the top spot for the men in 1:02:33, logging the second-fastest men's finish in the race's history.

Still, he and the other male competitors were unable to catch Chepngeno as she neared the finish line. As the first runner across the line, Chepngeno collected an additional \$3,000 on top of the \$4,000 award for being the first female.

"I'm so happy to be here, and I love the people of Monterey," said Chepngeno. When asked if she'd return next year to defend her title, Chepngeno replied, "Absolutely, I can't wait to be back out on the beautiful course next year."

Panuel Mkungu of Coon Rapids, MN took second for the men in 1:02:37, and Patrick Smyth of Sante Fe, NM took third in 1:02:39. Second female was Australian Milly Clark in 1:11:49, followed by 2017 women's champion Monicah Ngige in 1:11:59.

The top eight runners in the men's and women's divisions competed for a total purse of \$25,000 plus another \$5,000 in total bonus money for the first three runners of either gender to finish.

Runners were met with ideal conditions with over-cast skies and temperatures from the low-50s to 60s during the race. Roughly 6,700 participants set out along the 13.1-mile scenic course that includes historic downtown Monterey, Cannery Row, and the Pacific Grove shoreline and Asilomar State Beach to

the finish back in downtown Monterey near Fisherman's Wharf.

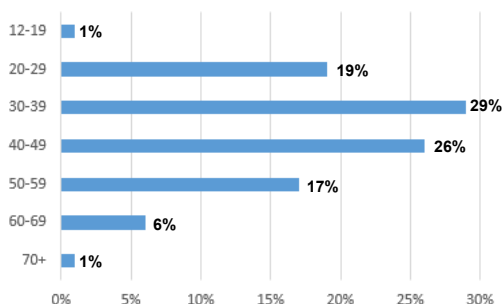

"It was a spectacular day with many runners setting personal bests," said Doug Thurston, Race Director. "We were so glad to welcome back thousands of runners from our canceled race last year and many new runners to our race along the beautiful Monterey Bay."

The 2018 Monterey Bay Half Marathon was canceled the day before when shifting winds brought smoky and unhealthy air into the area from the Camp Fire.

Our Volunteers

The Big Sur Marathon Foundation's mission is to create beautiful running events that promote health and benefit our community. Our Half Marathon is manned by hundreds of hardworking, enthusiastic, and energetic volunteers. Their dedication and commitment to the success of our events are what earns them one of the highest approval ratings in our exit poll.

Volunteers of all ages and from all walks of life begin their efforts days in advance of the race. They unpack and label merchandise items, hand out bibs and event shirts, and set up tents and fencing in the finish area. Race day finds them on the course dispensing water, **Gatorade Endurance** and **GU**, doing traffic control at intersections and manning the start corrals. At the finish, they hang a finisher's medallion on each runner's neck and load tired runners up with post-event refreshments.

Many of our volunteers come from military members stationed in Monterey and are invaluable to our organization. With our race falling so close to Veteran's Day, the military presence has special meaning and we appreciate their involvement.

Other key volunteer groups include scout troops, track, cross country and wrestling teams, and more. The common bond is the desire to put together a successful race that will make all participants want to come back time and time again. So, to all our wonderful volunteers, we offer a heartfelt **THANK YOU, THANK YOU, THANK YOU!**
